

A következő irányelveket készítettük az Ön grafikusának, de amennyiben nincs grafikus, akkor a Flashbay szívesen megtervezi a kinézetet, és/vagy a szöveget, amelyet emailben elküldhet az ügyfél kapcsolattartójának. A grafika megküldése után egy virtuális PDF-et küldünk Önnek. Ezen annyiszor módosítunk, ahányszor erre szükség van.
